# a few words about us

*what we care*

The vineyards rise above ground to preserve the grapes from humidity, held by a network of carefully designed grids that is reminiscent of the structure of our fabrics used in our premium woven vinyl flooring and mesh chairs.

Founded on the principles of sustainability, innovation, and client education, eco beauty continues to change the status quo. Our premium woven flooring is ideal for indoor and outdoor use, so it goes where you go. Now, our mission is put our efforts into making optimal quality chair that is sustainable and durable. This is the only way our chairs can achieve the level of excellence required by our clients.

China Made

eco beauty decors ergonomic workstations that are designed to fulfil a client's specific needs with our commercial woven vinyl flooring and ergonomic office chairs..

*“Every office chair, woven design foor is lovingly made in PVC, Huzhou, China.”*
